RAG Reference Document — FAQ, Policies, and Resolved Ticket Examples

Section A: Frequently Asked Questions

Order Tracking

Q: How do I track my order?

A: Go to Order History in your account, select the order, and click Track Package. A tracking link is also emailed once the order ships.

Q: My tracking shows no updates for 3 days. What should I do?

A: Carrier scans can lag 24-48 hours in transit. If there is no update after 5 business days, the order qualifies for a lost-package investigation (see Shipping Policy).

Q: Can I change my delivery address after placing an order?

A: Address changes are possible only before the order status changes to Shipped. Contact support immediately with the Order ID.

Returns & Refunds

Q: What is the return window?

A: Items can be returned within 30 days of delivery, unused and in original packaging, unless marked Final Sale.

Q: How long does a refund take?

A: Refunds are issued to the original payment method within 5-7 business days after the returned item is received and inspected.

Q: Do you offer exchanges?

A: Yes, size and color exchanges are free for eligible items. Exchanges are processed as a return plus a new order.

Q: My item arrived damaged. What now?

A: Damaged items are eligible for a full refund or free replacement. No return shipping is required; a photo of the damage should be requested from the customer.

Q: Can I return a Final Sale item?

A: Final Sale items cannot be returned or exchanged except in cases of manufacturing defect.

Payments & Billing

Q: Why was my card declined?

A: Common causes: insufficient funds, billing address mismatch, or bank fraud hold. Advise the customer to contact their bank or retry with a different payment method.

Q: I was charged twice for one order.

A: This is usually a temporary authorization hold, not a duplicate charge. Holds clear in 3-5 business days. If two settled charges appear, escalate to Billing for a manual refund.

Q: Do you accept installment payments?

A: Installments are available at checkout via the supported Buy Now Pay Later provider for orders above the minimum threshold shown at checkout.

Account & Login

Q: I forgot my password.

A: Direct the customer to the Forgot Password link on the login page. A reset email is sent within a few minutes; check spam if not received.

Q: How do I delete my account?

A: Account deletion requests are processed via Settings > Privacy > Delete Account, or by support ticket. Deletion completes within 30 days per the Privacy Policy.

Cancellations

Q: Can I cancel my order?

A: Orders can be cancelled free of charge only while status is Processing. Once status is Shipped, the customer must use the standard return process instead.

Q: I want to cancel only part of my order.

A: Partial cancellation is supported if the order has not yet shipped; the remaining items ship normally and the cancelled items are refunded separately.

Product & Warranty

Q: Does this product have a warranty?

A: Electronics carry a 12-month manufacturer warranty against defects. Apparel and accessories are not covered by warranty but are covered by the standard return policy.

Q: The product I received doesn't match the description.

A: Treat as a Wrong Item / Not as Described case: offer free return and full refund, or replacement if in stock.
